

Dear Parents,

We are pleased to inform you of a new way to purchase your Child's requested school supplies. It is simple, quick and easy. No longer will you need to endure driving to multiple stores, finding empty shelves and fighting long lines to fulfill our teacher's supply lists. U.S.A. School Supplies, a Portland based company, has designed a program which creates a custom school supply kit **based on our schools specific supply list**. Parents simply log onto their website and place their order. All the kits are delivered to our school and ready to use on the first day of class.

Additionally, U.S.A. School Supplies will donate 10% of the purchase price of all "Classroom Custom Supply Kits" right back to your schools. We also have the opportunity to supply deserving students with donated supply kits and raise funds for needed items through U.S.A. School Supplies "Teacher's Wish List" Program.

To purchase your "Classroom Custom Supply Kit", simply visit their website www.usaschoolsupplies.com select our school and with a few clicks of your computers mouse, ensure your child will have the correct school supplies ready to use on the first day of class. U.S.A. School Supplies accepts Visa and MasterCard's as well as personal checks or money orders.

We appreciate your support of our new program and hope it helps make your summer a little more enjoyable.

Sincerely,
